MEMORANDUM

TO: Christopher Bradbury, Village Administrator
FROM: Gregory J. Austin, Chief of Police
CC: Sgt John Arnold, Traffic Commission Liaison
DATE: April 5, 2016
SUBJECT: Traffic Commission Recommendation

The Rye Brook Police Department has received complaints of traffic congestion on Hillandale Road due to Blind Brook High School students who are driving to school but are not authorized or do not have a parking space on school property. These students park on both sides of Hillandale Road near King Street and walk to the school campus. The complaints of the dangerous situation caused by these parked cars received from residents of Hillandale Road have been relayed to the school district, but the district administration feels that there is no action that can be taken by them since parking is allowed on Hillandale Road.

The Rye Brook Fire Department has been consulted and feels that although a fire truck can pass with cars parked on both sides of the street, if required to set up to fight a fire, they would not be able to do so due to the cars parked on both sides of the street.

Therefore, after consultation with the Rye Brook Fire Department and discussion with the Traffic Commission members present at the April 4, 2016 meeting, it is recommended that a "No Parking" zone be established on Hillandale Road from King Street to Beechwood Circle on the even number side of Hillandale Road during school days.
