Subject: Proposed ridge street development

Dear Rye Brook Board of Trustees,

We are unable to attend the meeting tonight, but we wanted to voice our concern over the proposed development you will be discussing on Ridge Street. The proposed development, on a sharp curve on a busy RB street is not an appropriate location. Adding entering and exiting traffic to a main thoroughfare on a blind curve would be dangerous. While we don't live near the development, we drive our kids to preschool and activities past that spot on a daily basis. We are opposed to this proposal.

Thank you for your consideration.
