# VILLAGE OF RYE BROOK 2018 RECYCLING PROGRAM

## RECYCLING PROGRAM

Westchester County law requires recycling of certain materials from the normal household garbage. If your recyclables are co-mingled with your garbage, our sanitation workers cannot pick up your garbage. Please make recycling a priority in your home. For information about what and how to recycle and dispose of items visit [www.westchestergov.com/recycling](http://www.westchestergov.com/recycling) or call the Recycling Help Line at 813-5425 for more info.

### Here are some recycling tips:

Review the following procedures and requirements to ready your recyclables for collection.

**DO NOT** mix your plastics, metals & glass with paper and cardboard. **DO** place your paper and cardboard in a separate bin from the plastics, metals & glass. **DO NOT** place any recyclables in plastic bags.

**DO** separate your recyclables and place paper/cardboard in a second bin separate from the plastics, metals & glass.

Need a new **Blue Bin**? Available for purchase at Village Hall.
